

SOULALIGNMENT RETREAT
TRAUMA-INFORMED
GRANDMOTHER & KAMBO RETREAT

FRIDAY 10.30AM 16.05.2025 - MONDAY 4PM 19.05.2025

A RESIDENTIAL RETREAT WITH KAMBO
& GRANDMOTHER MEDICINE

OUR INTENTIONS FOR THIS WEEKEND

We welcome you to this transformative weekend, including two preparation calls and one integration calls. This is an invitation to explore the pain holding you back in life. With these sacred medicines, we will guide and intend for you to find compassion, love and forgiveness.

Morten and Paal want to share their profound experiences of their plant dieta with Noya Rao in the jungles of Peru. Noya Rao, often revered as the "enlightened" tree, can illuminate our inherent gifts and facilitate the healing of our shadows.

With the support of Grandmother and Noya Rao, we aim to guide you to the core of your heart and soul alignment.

Join us on a soulful odyssey, beginning with a pre-dieta preparation. Immerse yourself in a deep residential retreat with Grandmother and Kambo Ceremony. There will also be complementary practices that provide unwavering support. Conclude this transformative journey with a post-retreat integration, ensuring a holistic and harmonious synthesis of the experience.

Welcome to a sacred voyage of self-discovery and alignment.

MORE THAN A CEREMONY WEEKEND

The Trauma-Informed Soul Journey:

To ensure a thoughtful and holistic preparation, we delve into your life, medical history, background, and childhood experiences through insightful inquiry questions. Both the painful and uplifting aspects of your journey offer valuable insights on safely returning to your essence.

Our collaborative process extends to **two preparation call's** involving all participants, fostering connection and intention-sharing while crafting a personalised preparation and integration plan.

For those seeking a deeper somatic experience, a dedicated call with Paal provides an opportunity to explore personal and professional facets more intimately.

During the retreat

We set the container on Friday with a Kambo ceremony led by Morten.

Paal leads a preparation workshop on Saturday, delving into working with Grandmother, enhancing your understanding of your nervous system, and navigating defence mechanisms during the ceremony.

Sunday will be an integration day with possible walks in nature, mixing with different embodiment practices, sauna, fire rituals and songs.

After the retreat

We would like to encourage you to make an integration plan with practices after the weekend.

It will support you to embody the changes in your daily life.

We end with an integration call one week after the retreat.

The Trauma-Informed Soul Journey is a comprehensive exploration, guiding you through preparation, ceremony, and integration for a meaningful and transformative weekend.

ABOUT PÅL CHR. BUNTZ

Pål is a Norwegian who has been a deep diver in his consciousness for over 27 years. He educated himself as an NLP & Journey, Non-duality & Tantra practitioner & teacher. He founded the Wildman Program for men and co-founded a Tantric Sexology Training. The Grandmother came into his life in 2015 and changed many areas of his life.

He went to the jungle of Peru in 2017 for a 10-week shamanic initiation course held by the Ayahuasca Foundation and Shipibo shamans.

It was the most challenging journey Pål had taken.

But it also opened his heart to the healing gift of the masterplant Noya Rao.

Since then, Noya Rao has been his teacher. Noya Rao is the Queen of the jungle and gives Pål the confidence to hold ceremonies.

His deepest intention is to share her light, love and wisdom.

Pål also went for dietas in the jungle of Peru in 2021/22 and 2022/23 and 2024/25 where he also did dietas with Chullachaqui and Bobinsana.

Pål has educated himself into a trauma-informed plant medicine facilitator to understand better the risk factors and how to create a healing container for the sacred medicine.

ABOUT MORTEN HAUGEN ØSTHUS

In Ceremony, I am a highly intuitive facilitator, offering a strong, gentle and loving presence. The Wheel of Life is my guide, and I practice living harmoniously with the elements, seasons, moon and the sun.

I have a passion for myths, stories and the ways of our ancestors.

Since 2018, I've been a facilitator and director of Garden of Alchemy, with my beloved Annabelle, and we hold a strong feminine and masculine container together. Together, we work with our allies Kambo, Cacao and Fungi.

Grandfather Fire has initiated me, and I work in harmony with the wisdom and guidance of my ancestral team. Born into Norwegian lineage, I have experienced many openings in consciousness throughout my lifetime.

Always drawn to explore the edges of my being, my journey started with the practices of communication, sexuality, and relating. Later, I was called to practice meditation, yoga and tantra.

I am passionate about our natural world and deeply interested in trees, plants, fungi and animals. I'm a certified advanced Kambo Practitioner with IAKP, with origins from the Amazonian Matses lineage.

I've been apprenticing in Q'ero lineage with Grandfather Huachuma for four years, and was initiated by Shipibo Maestro Don Enrique in 2024.
